

Part Number : H05U09S

Function : Realtek GTS PCI Ethernet Card

Manufacturers : Realtek Semiconductor

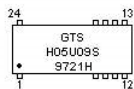

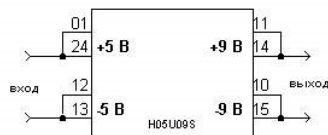

Image :

H05U09S Pinout :

H05U09S

Гибридный блок питания

Каналы 5 вольт и 9 вольт гальванически развязаны.

REALTEK GTS PCI Ethernet Card

Features

1. 100-pin PQFP
2. Pin-to-pin compatible with RTL8029as
3. 16K byte SRAM built in
4. Compliance to PCI V2.1
5. Programmable PCI Vendor ID and Sub Vendor ID
6. PCI local bus single-chip Ethernet controller
7. Compliant to Ethernet II and IEEE802.3 10Base5, 10Base2, 10BaseT
8. Supports Full-Duplex Ethernet function to double channel bandwidth
