

980nm Pump Laser Module -Grating Stabilized, 300mW **LC94**

These lasers are designed as pump sources for Erbium-Doped Fiber Amplifier (EDFA) applications. Processes and techniques of coupling the fiber to the laser allow high output powers that are very stable with both time and temperature. The grating is located in the pigtail to stabilize the wavelength. Devices are available with kink free output powers to 300mW. The LC94 series pump module utilises a double Fiber Bragg Grating design for enhanced wavelength and power stability performance. This product has been designed to ensure superior wavelength locking over drive current, temperature and optical feedback changes.

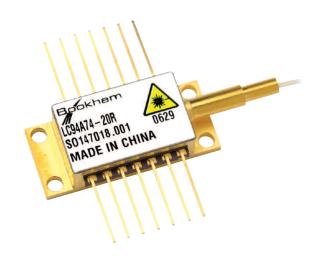

Features:

- Double Fiber Bragg Grating wavelength stabilization
- High output power, up to 300mW kink free
- Single-mode fiber pigtail
- Internal thermoelectric heatpump and monitor photodiode
- Hermetically sealed 14-pin butterfly package
- Telcordia GR-468-CORE compliant
- Field proven high reliability
- RoHS compliant

Applications:

- Low noise EDFAs
- Dense wavelength division multiplexing (DWDM) EDFAs
- CATV Applications

Characteristics

Conditions unless otherwise stated: Case temperature -20 to +75°C

Submount temperature 25°C

Monitor diode bias -5V

CW operation

Kink-free fiber-coupled output power: LC94ZC74-20R 100mW

Heatpump current		1.8	А
Lead soldering temperature (10s max)		260	°C
Fibre bend radius	30		mm

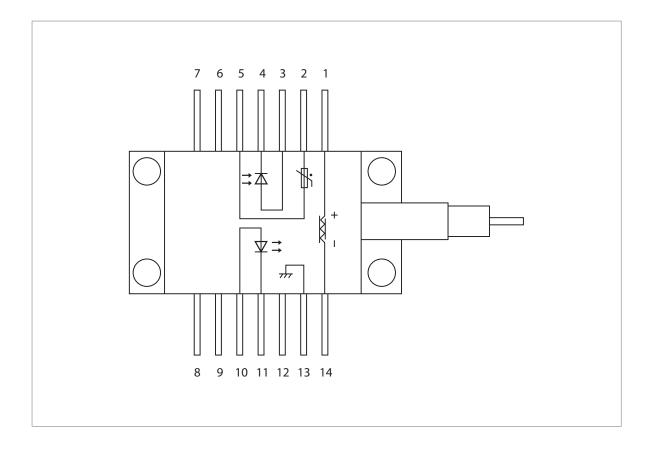

Package Outline Drawing and Dimensions

Connections

Pin #	Description	Pin #	Description	
1	Peltier cooler (+)	8	Not connected	
2	Thermistor	9	Not connected	
3	Monitor anode (-)	10	Laser anode (+)	
4	Monitor cathode (+)	11	Laser cathode (-)	
5	Thermistor	12	Not connected	
6	Not connected	13	Case ground	
7	Not connected	14	Peltier cooler (-)	

RoHS Compliance

Bookham is fully committed to environment protection and sustainable development and has set in place a comprehensive program for removing polluting and hazardous substances from all of its products. The relevant evidence of RoHS compliance is held as part of our controlled documentation for each of our compliant products. RoHS compliance parts are available to order, please refer to the ordering information section for further details.
